

STOCK CODE	DESCRIPTION	
INIM ALARM KITS		
KIT505	10 Zone Hybrid panel non-expandable + LCD Keypad + Metal Box	
KIT515	10 Zone Hybrid panel expandable to 30 zones + LCD Keypad + Metal Box	
SmartLiving 1515 kit	10 Zone Hybrid panel expandable to 30 zones, LCD keypad, 15W siren, 7AH battery, 2X Digital PIR (XIR100H), 40VA PSU, 2X Emergency buttons, 2X door contact	
SmartLiving 2515 kit	10 Zone Hybrid panel expandable to 30 zones, LCD keypad, 15W siren, 7AH battery, 3X Digital PIR (XIR100H), 40VA PSU, 2X Emergency buttons, 2X door contact	
SmartLiving 3515 Kit	10 Zone Hybrid panel expandable to 30 zones, LCD keypad, 15W siren, 7AH battery, 10X Digital PIR (XIR100H), 40VA PSU, 2X Emergency buttons, 2X door contact, 1X 6 core solid cable	
SmartLiving 4515 kit	10 Zone Hybrid panel expandable to 30 zones, LCD keypad, 15W siren, 7AH battery, 10X Digital PIR (XIR100H), 40VA PSU, 2X Emergency buttons, 2X door contact, 1X 6 core solid cable, 1X 0.22mm rip cord, 5X50ML glue tubes	
SmartLiving 5515 kit Upgrade Kit	10 Zone Hybrid panel expandable to 30 zones, LCD keypad, Metal Box, 10 Zone expansion panel (Flex5U)	
SmartLiving 6515 kit	10 Zone Hybrid panel expandable to 30 zones, LCD keypad, Metal Box, 10 Zone expansion panel (Flex5U), 15W siren, 7AH battery, 2X Digital PIR (XIR100H), 40VA PSU	
SmartLiving 7515 kit	10 Zone Hybrid panel expandable to 30 zones, LCD keypad, Metal Box, 10 Zone expansion panel (Flex5U), 15W siren, 7AH battery, 3X Digital PIR (XIR100H), 40VA PSU, 2X EMERGENCY BUTTON, 2X MAGNETIC DOOR CONTACT WHITE (WIRED)	
SmartLiving 8515 kit	10 Zone Hybrid panel expandable to 30 zones, LCD keypad, Metal Box, 10 Zone expansion panel (Flex5U), 15W siren, 7AH battery, 5X Digital PIR (XIR100H), 40VA PSU, 2X EMERGENCY BUTTON, 3X MAGNETIC DOOR CONTACT WHITE (WIRED), 2X 6 core solid cable, 1X 0.22mm rip cord, 5X50ML glue tubes	
SmartLiving A515 Wireless kit	KIT SMARTLIVING515 PCB + LCD Keypad + Metal Box, 1X10ch Wireless module two way, 1X wireless remote 4 buttons	
SmartLiving B515 Wireless kit	KIT SMARTLIVING515 PCB + Alien 4.3" Touch Screen Keypad + Metal Box, 1X10ch Wireless module two way, 1X wireless remote 4 buttons	
SmartLiving C515 Wireless kit	KIT SMARTLIVING515 PCB + LCD Keypad + Metal Box, 1X10ch Wireless module two way, 1X wireless remote 4 buttons, 2X Wireless PIR (Air2-XIR200W), 15W siren, 7AH battery	
SmartLiving D515 Wireless kit	KIT SMARTLIVING515 PCB + LCD Keypad + Metal Box, 1X10ch Wireless module two way, 2X wireless remote 4 buttons, 3X Wireless PIR (Air2-XIR200W), 1X WIRELESS MAGNETIC CONTACT, 15W siren, 7AH battery, 40VA PSU	
INIM - INTRUSION DETECTION		
SmartLiving 505 PCB	Intrusion control panel 5 terminals - Main board equipped with 5 input terminals, 1 dry-contact programmable relay, 2 programmable open-collector output, telephonic interface, RS232 port - Up to 5 partitions - Up to 5 Joy and nCode/G keypads - Up to 4 Flex5 expansions - Up to 10 nBy readers - Up to 30 user codes - Up to 50 proximity tags - Up to 500 event log (ver 3.0x)	
SmartLiving 515 PCB	Intrusion control panel, expandable from 5 to 15 terminals - Main board equipped with 5 input terminals, 1 dry-contact programmable relay, 2 programmable open-collector output, telephonic interface, RS232 port - Up to 5 partitions - Up to 5 Joy and nCode/G keypads - Up to 10 Flex5 expansions - Up to 10 nBy readers - Up to 30 user codes - Up to 50 proximity tags - Up to 500 event log (ver 3.0x) -	
SmartLiving 1050 PCB	Intrusion control panel (PCB ONLY), expandable from 10 to 50 terminals - Main board equipped with 10 input terminals, 1 dry-contact programmable relay, 2 programmable open-collector output, telephonic interface, RS232 port - Up to 10 partitions - Up to 10 Joy and nCode/G keypads - Up to 20 Flex5 expansions - Up to 20 nBy readers - Up to 50 user codes - Up to 100 proximity tags - Up to 500 event log (ver 3.0x) -	
SmartLiving 1050L	Complete Intrusion control panel, expandable from 10 to 50 terminals - Main board equipped with 10 input terminals, 1 dry-contact programmable relay, 2 programmable open-collector output, telephonic interface, RS232 port - Up to 10 partitions - Up to 10 Joy and nCode/G keypads - Up to 20 Flex5 expansions - Up to 20 nBy readers - Up to 50 user codes - Up to 100 proximity tags - Up to 500 event log (ver 3.0x) - 7Ah battery housing Plus Power supply module - 100W - 6A@13.8Vdc.	
SmartLiving 10100 PCB	Intrusion control panel (PCB ONLY), expandable from 10 to 100 terminals - Main board equipped with 10 input terminals, 1 dry-contact programmable relay, 2 programmable open-collector output, telephonic interface, RS232 port - Up to 15 partitions - Up to 15 Joy and nCode/G keypads - Up to 40 Flex5 expansions - Up to 30 nBy readers - Up to 100 user codes - Up to 150 proximity tags - Up to 1000 event log (ver 3.0x)	
SmartLiving 10100L	Complete Intrusion control panel, expandable from 10 to 100 terminals - Main board equipped with 10 input terminals, 1 dry-contact programmable relay, 2 programmable open-collector output, telephonic interface, RS232 port - Up to 15 partitions - Up to 15 Joy and nCode/G keypads - Up to 40 Flex5 expansions - Up to 30 nBy readers - Up to 100 user codes - Up to 150 proximity tags - Up to 1000 event log (ver 3.0x) - 7Ah battery housing Plus Power supply module - 100W - 6A@13.8Vdc.	
IPS 12040	Power supply for SL1050/10100 220V ONLY	

STOCK CODE	DESCRIPTION	
INIM - Keypad		
Joy/MAX	Keypad with graphic display and programmable back-light intensity Text and icon user interface 2 programmable terminals Buzzer and signalling LED Proximity reader with built-in ambient heat sensor, microphone and loudspeaker Chronothermostat White EN50131-3 IMQ Certification	
AIR2-ARIA	Wireless key (two-way) with backlit display, 4 easy-to-use function keys. 868Mhz	
nCode/GxB	Keypad with back-lit graphic display and touch keys for SmartLiving system management, 1 programmable terminal Buzzer and signalling LED Black EN50131-3 IMQ Certification	
nCode/GxN	Keypad with back-lit graphic display and touch keys for SmartLiving system management, 1 programmable terminal Buzzer and signalling LED White EN50131-3 IMQ Certification	
Concept/GB	Keypad with back-lit graphic display for SmartLiving system management, 1 programmable terminal Buzzer and signalling LED White EN50131-3 IMQ Certification	
Concept/GN	Keypad with back-lit graphic display for SmartLiving system management, 1 programmable terminal Buzzer and signalling LED Black EN50131-3 IMQ Certification	
Evolution/SB	Multimedia device for domotic control of SmartLiving systems with Ethernet interface Manages multiple installations (up to 10 control panels) Manages IP cameras Manages interactive maps 5 programmable outputs Flush-mount option White	
Evolution/SN	Multimedia device for domotic control of SmartLiving systems with Ethernet interface Manages multiple installations (up to 10 control panels) Manages IP cameras Manages interactive maps 5 programmable outputs Flush-mount option Black	
Alien/SB	4.3" touch screen user interface on I-Bus Proximity reader with built-in ambient heat sensor, microphone and loudspeaker USB Interface Housing for µSD card Chronothermostat Dimensions 81x131x17mm. White	
Alien/SN	4.3" touch-screen user interface to be connected to I-Bus Proximity reader with built-in ambient heat sensor, microphone and loudspeaker USB Interface Housing for µSD card Chronothermostat Black	
Alien/GB	7" touch-screen user interface on I-Bus Proximity reader with built-in ambient heat sensor, microphone and loudspeaker, 2 programmable terminals USB Interface Housing for µSD card Chronothermostat Flush-mount option White	
Alien/GN	7" touch-screen user interface on I-Bus Proximity reader with built-in ambient heat sensor, microphone and loudspeaker, 2 programmable terminals USB Interface Housing for µSD card Chronothermostat Flush-mount option Black	
KB100-B	White fitting bracket and terminal board for Concept/nCode	
KB100-N	Black fitting bracket and terminal board for Concept/nCode	
LNLIVFM100	Alien/GX & Evolution/SX flush-mount enclosure	
INIM - Proximity Readers & Tags		
nBy/S	Wall-mount RFID proximity reader 4 LEDs Buzzer IP34 rated EN50131-3 IMQ Certification	
nBy/X	Universal flush-mount RFID proximity reader 4 LEDs Buzzer EN50131-3 IMQ Certification	
nBoss-M	Tag in leather for nBy series proximity readers Black	
nBoss-R	Tag in leather for nBy series proximity readers Red colour	
MB SL505/515	Metal box for SL505/515	

STOCK CODE	DESCRIPTION 
INIM - Expansion/Relays/isolators	
Flex5/P	Terminal expansion 5 terminals programmable as input and/or output, 4 of which with rollerblind or shock sensor management capability Power supply protection 2 outputs for ancillary power supply Built-in buzzer Plastic enclosure protected against forced opening and dislodgement EN50131-3 IMQ Certification
Flex5/U	Terminal expansion 5 terminals programmable as input and/or output, 4 of which with rollerblind or shock sensor management capability Power supply protection 2 outputs for ancillary power supplies Built-in buzzer Plastic protection with terminals on view EN50131-3 IMQ Certification
SmartLogos30M	Voice board for SmartLiving control panels 30 minutes voice-message time Up to 500 recordable voice messages EN50131-3 IMQ Certification
REL1INT	Single changeover-relay board Operates at 12 or 24Vdc
IB100-RU	I-Bus isolator with data regeneration and on-view terminals EN50131-3 IMQ Certification
IB100-A	I-Bus isolator with data and power regeneration and tamper protection EN50131-3 IMQ Certification
INIM - network/gsm moduls	
SMARTLAN/G	Ethernet interface for connection to LAN and WAN networks Manages TCP/IP protocols Sends emails and attachments Built-in Web server Manages SIA-IP protocol AES128bit data encryption Programming and control of SmartLiving systems via Internet EN50131-3 IMQ Certification
SMARTLAN/SI	Ethernet interface for connection to LAN and WAN networks Manages SIA-IP protocol Programming and control of SmartLiving systems via Internet CEI 79-2 and EN50131-3 Certification
NEXUS G	GSM/GPRS module integrated on I-BUS Voice and digital dialler functions over the GSM/GPRS network Sends SMS texts and calls for individual events Answer phone and DTMF command management functions Manages SIA-IP protocol Manages programming and control of SmartLiving systems over GPRS network
ALIEN MOBILE APP	Alien/Mobile App, Free and Pro versions for SmartLiving device management available on Apple Store for iPad and iPhone and on Google Play for Android.
INIM - Hard wired detectors	
XIR100H	Passive infrared detector 10m detection range 110° detection angle Bypassable alarm LED Adjustable alarm-pulse length Automatic temperature compensation
XIR200H	Passive infrared detector 15m detection range 100° detection angle. Dual element pyro-electric sensor. Digital signal processing, bypassable alarm LED. Digital temperature compensation, sensitivity adjustment. White light protection, alarm pulse counter, protected against forced opening and dislodgement. Selectable EOL (End Of Line) resistors.
XDT200H	Dual technology detector, 15m detection range 100° detection angle. X-band based microwave. Dual element pyro-electric sensor. Digital signal processing, bypassable alarm LED. Digital temperature compensation, sensitivity adjustment. White light protection, alarm pulse counter, protected against forced opening and dislodgement. Selectable EOL (End Of Line) resistors. AND/OR technology. "Smart OR" technology. Triple LED indication.
XEOLR3K9	End of line resistor 3.9K Jumper
XEOLR6K8	End of line resistor 6.8K Jumper
BIC100	Ceiling-mount passive infrared detector, 360° cover 6m detection diameter 6m at 3.6m height Bypassable alarm LED Adjustable alarm pulse length Automatic temperature compensation
INIM - outdoor beams/detectors	
BD-D060	60m dual-beam barrier Horizontal and vertical beam adjustment IP54 rated Programmable intervention time
BD-T100	100m triple-beam barrier Horizontal and vertical beam adjustment IP54 rated Programmable intervention time
BD-Q200	200m quad-beam barrier Horizontal and vertical beam adjustment IP54 rated Programmable intervention time
OTT100H	Triple technology volumetric detector for outdoor use. IP44. Antimasking function. Two PIR sensors and one microwave. AND/OR selectable function. Beam precision adjustment. Operating range 3±12m.
OTTBK100	Pool Bracket Kit Stainless steel for OTT100H
OTTBK200	Pool Bracket Kit Stainless steel for OTT100W
Air2-OTT100W	Two-way wireless triple technology volumetric detector for outdoor use. IP44. Two PIR sensors and one microwave. AND/OR selectable function. Beam precision adjustment. Operating range 3±12m. 2 CR17450 battery.

STOCK CODE	DESCRIPTION 
INIM - Siren	
IVY	Self-powered sounderflasher for outdoor installation 103dB(A)@3m IP34 rated Ancillary inputs for activation and inhibition Fault signalling output Parameter programming LED visual-signalling device CEI79-2 IMQ Certification
IVY-BFM	Self-powered sounderflasher with foam-tamper protection and I-BUS interface in metal-look (chrome) enclosure for outdoor installation 103dB(A)@3m. IP34 rated Parameter programming (tone, volume etc.) via SmartLeague in accordance with the event LED visual-signalling device CEI79-2 IMQ Certification
AIR2-HERERA	Wireless outdoor sounderflasher, numerous programming options for the sounder, the flasher, maximum alarm time, flash rate per minute, signal activation mode, etc. interfaces with Smartliving control panels via the Air2-BS200 transceiver though which it is controlled and managed by the control panel.
SMARTY-SIB	110dB(A)@1m audible signalling device for indoor installation IP31 rated White thermoplastic enclosure
SMARTY-GIB	110dB(A)@1m audible/visual piezo signalling device with 25Lux@1m light intensity for indoor installation IP31 rated Thermoplastic enclosure in white
Siren 15W	15 Watt 2 Tone 12V DC Siren
Siren 40W	40 Watt 2 Tone 12V DC Siren
INIM - Wireless Transceiver/detectors/door contact/siren	
Air2-BS100/10	Transceiver (two-way) 868MHz I-Bus connected. 10 Channels
Air2-BS100/30	Transceiver (two-way) 868MHz I-Bus connected. 30 Channels
Air2-BS100/50	Transceiver (two-way) 868MHz I-Bus connected.
Air2-BS200/10	Transceiver (two-way) 868MHz I-Bus connected. 10 Channels to communicate with AIR2-ARIA and AIR2-HERERA
AIR2-UT100	Universal Transceiver 1 Input 1 Aux
Air2-FD100	Wireless smoke detector (two-way) 868MHz
Air2-XIR200W	12m range passive infrared detector with two-way communication capacity. 100° detection angle. Digital signal processing. Programmable sensitivity and activation of the infrared beam via the SmartLeague. Bypassable LED. Thermal compensation. Alarm pulse counter. Triple LED indication. Tamper switches (opening and removing). CR17450 battery.
Air2-KF100	Wireless key (two-way) with 4 programmable buttons.
AIR2-HERERA	Wireless outdoor sounderflasher, numerous programming options for the sounder, the flasher, maximum alarm time, flash rate per minute, signal activation mode, etc. interfaces with Smartliving control panels via the Air2-BS200 transceiver though which it is controlled and managed by the control panel.
Air2-MC100B	Wireless magnetic contact (two-way) with 2 inputs/outputs (wireless expansions) - white colour
Air2-MC100M	Wireless magnetic contact (two-way) with 2 inputs/outputs (wireless expansions) - brown colour
Air2-MC200/B	Wireless magnetic contact (two-way) with Shock and Tilt detector - Colour White
Air2-MC200/M	Wireless magnetic contact (two-way) with Shock and Tilt detector - Colour Brown
Air2-DT200T	Two-way wireless dual technology curtain detector in white thermoplastic enclosure. 3m detection range. Bypassable LED. Programmable sensitivity, activation of the infrared beam and microwave, alarm pulse counter via the SmartLeague. Able to determine the object's direction. CR17450 battery.
SmartLeague	Programming and management software for INIM devices

STOCK CODE	DESCRIPTION	
INIM - Wireless Accessories		
PSU40VA	16VAC 40VA Fused Power Supply	
BATTERY 12V 1.3	12V 1.3A/H Sealed Lead Acid Battery	
BATTERY 7AH	12 VOLT 7 A/H Sealed Lead Acid Battery	
IPS 12040	Power supply for SL1050/10100 220V ONLY	
LINK232F9F9	RS232 cable - links PC to control panels	
LINKUSB232CONV	Link USB to RS232	
PROBTH	Thermal probe for 12V7A battery-charge optimization	
BTMD030142C123A00	3V@1400 mAh CR123A lithium battery for Air2-IR100 & Air2-MC100	
BTMD030221B203200	3V@220mAh CR2032 lithium battery for KF100	
BTMD0302221745000	3V@ 2200mAh CR17450 for Air2 devices	
GLUE TUBE 50ML	Tube Glue 50ml	
MC-BR	Wired Door Contact - Colour Brown	
MC-W	Wired Door Contact - Colour White	
LED CLEAR BLUE	LED Clear Blue Dome 5mm, 2200MCD 16 DEG	
LED HOLDER CHROME	LED Holder - Chrome	
XBK100	WALL OR CEILING MOUNT BRACKET FOR PIR'S	

STOCK CODE	DESCRIPTION 
DUEVI - Outdoor DETECTION	
RX2AP	2 Channel Wireless Receiver
RX808	8 Channel Wireless Receiver with LCD screen
DIRFE	Wired Outdoor Dual-IR Detector, 2 PIR Sensors (independent, adjustable heads), 12M - 100° Wide Coverage, Tamper Protection
DIRFE-DT	Wired Outdoor Double Technology Detector, 1 PIR Sensor + 1 Microwave Beam (independent, adjustable heads), 12M - 80° Wide Coverage, Tamper Protection
MOSKITO-AMF	Wired Outdoor Omni-directional Detector, Three-sided IR Detector (6 PIR Sensors with independent, adjustable heads), 180° Frontal Side Volumetric Detection Area, 12M Left and right Detection Range, 8M Frontal Detection Range, Anti-masking Protection
DIRRVE	Wireless Outdoor Dual-IR Detector, 2 PIR Sensors (independent, adjustable heads), 12M - 100° Wide Coverage, Tamper Protection. Must use a Duevi RX Receiver
DIRRVE-DT	Wireless Outdoor Double Technology Detector, 1 PIR Sensor + 1 Microwave Beam (independent, adjustable heads), 12M - 80° Wide Coverage, Tamper Protection. Must use a Duevi RX Receiver
MOSKITO-AMR	Wireless Outdoor Omni-directional Detector, Three-sided IR Detector (6 PIR Sensors with independent, adjustable heads), 180° Frontal Side Volumetric Detection Area, 12M Left and right Detection Range, 8M Frontal Detection Range, Anti-masking Protection. Must use a Duevi RX Receiver
GATE KEEPER Access Control	
GK-001	Two Doors access controller with backup battery charger, fireproof plastic case and transformer. Can link to up to 64 controllers (128 doors) on one RS-485 network. Enclosure Size: 31x23x8cm
GK-004	Master TCP/IP Module unit, Must be ordered beforehand with the controller. Communication port (LAN) from the controller
GK-005	RS-485 to USB converter cable
GK-006	RS-485 to TCP/IP communication converter, Suitable for use with several linked controllers (up to 64). Connects to first controller that link another controllers.
GK-STICKER	RFID sticker, Frequency:860Mhz-870MHZ +902MHZ-928MHZ
CR-KPE1	RFID External proximity card reader. EM 125KHz Cards, Wiegand 26/34 Protocol.

STOCK CODE	DESCRIPTION 
ACCESS CONTROL / LOCKS	
AS-1001EM	Thin RFID Card for Access Control, Frequency: EM 125KHz, Structure: PVC, Color: White. Size 86Lx54Wx0.8Hmm
AS-02	RFID Keyfob for Access Control, Reader Proximity Chip, ^Frequency: EM 125KHz, Structure: ABS, Color: Blue. Size: 40.5Lx28Wx5Hmm
Gate keeper software	The software manages from two doors and up to 1024 doors. Allows high resolution access level, generate reports by various criterias and export to Excel program. Suitable for managing small businesses to large institutions. The system is suitable for monitoring single door, Double doors, interlock, parking lots, secured rooms, storage chambers and more ...
EM500T(LED)	Size : 265(L),74.7(W),38.5(H), Force : 500KG, Voltage : 12/24VDC ± 10%, Power Con : 420MA/12V, 210MA 24V, Bracket : AS500ZL, AS-500L Status : (NO/COM), Delay : 0/3/6/9 Sec, Designed For : Wood/Metal/Glass/Fire Doors, Weight : 4KG, Reverse Polarity Protection, LED : Green / Red
EM-280TD(LED)	Size : 500(L),48.5(W),25(H), Force : 300KG x2, Voltage : 12/24VDC ± 10%, Power Con : 500MA 12V / 250MA 24V, Bracket : AS-280ZL, AS280L, AS-280UL, Status : (NO/COM), Delay : 0/3/6/9 Sec, Designed For : Wood/Metal/Glass/Fire Doors, Weight : 4KG, Reverse Polarity Protection, LED : Green / Red
EM-280T(LED)	Size : 250(L),48.5(W),25(H), Force : 300KG, Voltage : 12/24VDC ± 10%, Power Con : 420MA 12V / 210MA 24V, Bracket : AS500ZL, AS-500L, Status : (NO/COM), Delay : 0/3/6/9 Sec, Designed For : Wood/Metal/Glass/Fire Doors, Weight : 2KG, Reverse Polarity Protection, LED : Green / Red
AS-280L	Material : Aluminium, Designed For : No Frame Glass Door and Door Opening 90 Degrees Used With 280KG. Weight : 27KG / 0.33KG / 0.58KG
AS-280ZL	Material : Aluminium, Designed For : No Frame Glass Door and Door Opening 90 Degrees Used With 280KG, Weight : 0.72KG.
ES-134NO(S)	Size : 110(L),25(W),31.5(H), Material : Zinc, Force : 600KG, Voltage : 12VDC, Power Con : 200MA, Designed For : Wood/Metal Doors, Door Open : 90deg, Weight : 0.3KG, Tested : 1,000,000 Cycles
ES-133NC	Size : 160(L),25(W),28(H), Material : Zinc, Force : 600KG, Voltage : 12VDC, Power Con : 200MA, Designed For : Wood/Metal Doors, Door Open : 90deg, Weight : 0.4KG, Tested : 1,000,000 Cycles
AS-81-2	Size : 178(L),43(W),61(H), Door Width : 1000mm, Door Weight : 40-60KG, Max Opening Angle : 180deg, Opening Direction : Left/Right, Tested : 30,000 Cycles, Weight : 1.74KG
AS-81-4	Size : 178(L),43(W),61(H), Door Width : 1000mm, Door Weight : 60-85KG, Max Opening Angle : 180deg, Opening Direction : Left/Right Tested : 300,000 Cycles, Weight : 1.74KG
DH-607	Size : 75(L)x35(W)x90(H), Force : 70KG Voltage : 24VDC + 10% Output : COM, NC, NO, Weight : 0.82KG Reverse Polarity Protection, Manual Release
DH-606	Size : 75(L)x35(W)x90(H), Force : 50KG Voltage : 24VDC + 10% Output : COM, NC, NO, Weight : 0.82KG Reverse Polarity Protection, Manual Release
KP-568L	Size : 120(L)x46(W)x27(D), Voltage : 40MA - 130MA, Output : COM, NC, NO, Memory : 250 Cards, 250 Codes Max Distance For RFID : 65MM, Weight : 0.5KG, Security Type : Digital Code / Card / Card + Code
BR-003	Biometric reader + Proximity 500 users each outdoor metal case
BR-004	Biometric reader + Proximity + keypad 500 users each indoor use
AS-400-1-12	Size : 60(L)x42(W)x28(H), Voltage : 12VDC, Colour : White, Frequency : 433.92MHZ, Force : 10M W, Distance : Up to 70m, Additional Accessories : AS-400A / AS-400B, Weight : 0.09KG
AS-400A	Wireless Remote Control for AS-400-1-12
AS-802	Size : 86(L)x86(W)x20(H), Material : Heat Resistant Plastic, Max Voltage : 36VDC @3A, Output : COM/NC, Additional Accessories : Junction Box, Weight : 0.15KG, Tested : 100, 000 Cycles
AS-805	Size : 83(L)x32(W)x25(H), Material : Steel Alloy Button, Max Voltage : 36VDC @3A, Output : COM/NC, Weight : 0.86KG, Tested : 50, 000 Cycles
AS-90RA	Size : 86(L)x86(W)x50(H), Material : Stainless Steel + Plastic, Colour : Green Max Voltage : 36V@3A, Output : COM, NC, NO, Tested : 50,000 Cycles Weight : 0.86KG
AS-806B	Material : Stainless Steel + Plastic, Detection Range : 1-10CM, Max Voltage : 36V@3A, Output : COM, NC, NO, Tested : 50,000 Cycles, Weight : 0.2KG
